Product highlights

Dry brush system

The dry brush cleaning system safely removes dust, debris and other contaminants from the CD/DVD players laser lens, leaving it clean and performing optimally.

Microfiber cleaning pad

This cleaning pad is made of special microfiber material. It works in concert with anti-static cleaning fluid to ensure that your discs are cleaned safely and remain free from dust and dirt.

Radial cleaning action

Clean and protect your discs with this safe and easy radial cleaning action that clears discs free of dirt, dust and debris.

Voice instructions

The voice instructions on this easy to use CD lens cleaner guide you through the cleaning process in one of the 14 languages provided.
